VII. Government Order No. L. 8561-2—Ml. 24-23-18, dated the 23rd April 1924 sanctioning the continuance of temporary establishment of a Revenue Accountant on Rs. 55 and a Record Keeper on Rs. 40 till the end of June 1924, and requesting to cut down the expenditure on establishment from 1st July 1924 and submit a statement of the revised establishment strengthening the Accounts Section with reference to the orders issued in Government Order No. L. 7755-57—Ml. 68-22-39, dated the 29th March 1924.

The condition of the records is not satisfactory. They are being sorted and papers not intended for permanent preservation have to be destroyed. A permanent Record Keeper is quite necessary for the office.

The Revenue Accountant has just prepared the list of properties acquired. The disposal of properties has to be entered therein and this is likely to take time, as it has to be done after a careful inspection of the spot and the examination of records. His services may be extended for another year from 1st July 1924. The staff sanctioned for a period of six months in Government Order dated 24th March 1924 will be engaged in clearing the other arrears of work mentioned in this office letter to the Comptroller dated 18th February 1924 of which a copy is enclosed for ready reference. Recently, in 1922 a retrenchment was effected in the establishment of the Board, and regard being had to the arrears of work to be cleared and the need for employing additional hands for the purpose, no retrenchment can be effected in the establishment for the present.
